Foundation: subject matter expertise (SME)

- Research
- Technical education
- Peer review

10

Presentation essentials

- Tell the audience what they need to know, not everything you know
- Listen carefully when a question is asked
- Respect the clock

11

Refine delivery for intense familiarity

- Presentation techniques to minimize distractions
- Practice
- Murder board ... candid criticism ... professionalism

12

The payoff

- **Topgun instructors**

- *Whole lotta* effort into lecture prep, but...
- Teaching life-and-death combat

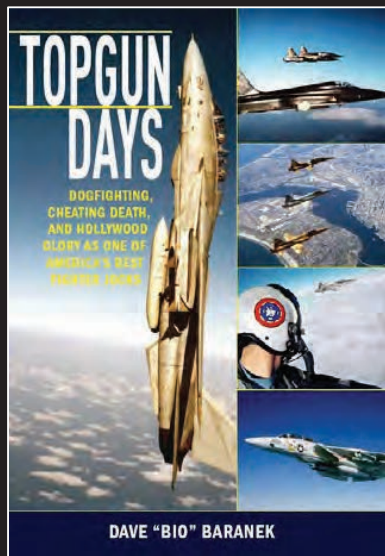

- **You**

- Improve the quality of your presentation
- Make you more comfortable and confident
